**New Book, “Memories, Pain, and Gin,” Illustrates One Man’s Battle with Moral Conscience**

A man who is paid to take lives must face the murder of his daughter in Danny Yarger’s new thriller, *Memories, Pain, and Gin*.

John Wilson’s daughter, Anna, is exceptionally beautiful and intelligent with a full scholarship to study at Harvard in the fall. While wanting to spend precious time with his daughter, John has to leave immediately for an assignment to assassinate a man unknowingly threatening the government.

Anna, unfortunately, decides to follow her father’s lead and is murdered while trying to unravel her father’s world. This is John’s story of balancing respect for life with orders to kill — truth with lies, pain and suffering with hope and relief.

Danny Yarger, MD received his Doctor of Medicine from the University of Kentucky. He has a very diverse upbringing, experiencing different stages of his life in Spain, Texas, the ghettos of Detroit and Kentucky. When finding relief from work, Yarger can be found at the lake with his wife, children, dogs, cats, and other sundry animals.

*Memories, Pain, and Gin* is available in softcover (ISBN 978-1-62137-093-2) hardcover (ISBN 978-1-62137-092-5) and eBook (ISBN 978-1-62137-094-9) from Virtualbookworm.com, Amazon.com, and Barnesandnoble.com. This book can also be ordered from most bookstores around the United States and United Kingdom. More information can be found at the author’s website, [www.dannyyarger.com](http://www.dannyyarger.com).
